ELEMENTS OF ON-FARM RESEARCH METHODOLOGY

The use of integrated agronomic-economic surveys in the diagnostic stage of on-farm research	23
<i>Derek Byerlee and Bernard Triomphe</i>	
Single site design considerations in on-farm experiments	39
<i>Peter Walker</i>	
Farmer-related variables in on-farm trials: their measurement and use in statistical analysis	46
<i>H.J.W. Mutsaers</i>	
Collecting meaningful data on labor use and farm size for economic analysis associated with on-farm trials in sub-Saharan Africa	53
<i>Dunstan S.C. Spencer</i>	
Measuring and evaluating pests of millet in semiarid Niger	60
<i>John McIntire, Gemechu Degefa and E.W. Richardson</i>	
Methodological and analytical issues in on-farm alley farming research	76
<i>J. Cobbina and A.N. Atta-Krah</i>	
Representativeness of farmers and sites in on-farm trials	83
<i>Joyotee Smith, Peter Walker and Babatunde Oyewole</i>	
Extrapolation of experimental results from a series of on-farm trials	95
<i>Foster B. Cady</i>	
An assessment of the design and analysis of on-farm trials in Nigeria's Agricultural Development Projects (ADPs)	102
<i>S.W. Eremie, P.S.O. Okolt and H.R. Chheda</i>	

CASE STUDIES

Trial design and analysis for on-farm adaptive research: a 1988 maize trial in the Mono Province of Benin	111
<i>M.N. Versteeg and A. Hujsman</i>	

A maize and groundnuts stepwise trial in the Ndop Plain, Cameroon (1987)	122
<i>Dermot McHugh</i>	
Maize response to fertilizer in the Center Province, Cameroon (A methodological case study)	128
<i>John Poku and Doyle Baker</i>	
Design and analysis of on-farm trials: An example of a trial with maize and cassava in southwestern Nigeria	139
<i>J.B. Oyedokun and S.A. Oyeneke</i>	
An on-farm rice variety trial in toposequences of inland valley swamps	147
<i>M.C. Palada, P. Walker, T.M. Masajo and M. Jalloh</i>	
An on-farm trial to develop maize management recommendations in Oyo State, Nigeria	155
<i>L.T. Ogunremi</i>	
On-farm evaluation of chemical, manual and cultural practices in integrated weed management in a yam/maize intercrop	161
<i>Ray P. Unanue and F.O. Anueburwa</i>	
On-farm evaluation of improved cassava varieties in the Kasangulu zone of Bas-Zaïre	168
<i>O.A. Osiname, L. Simba, C.D. Bartlett, R. Mayala and K. Kasongo</i>	
Further analysis of varietal yields of cassava in the Kasangulu zone of Bas-Zaïre	174
<i>L. Simba</i>	
On-farm trials comparing the local streak-disease susceptible maize with a streak-disease resistant variety in southern Zaïre	176
<i>W.O. Vogel, T. Berhe and R.D. Hennessey</i>	
Issues in on-farm experimentation at Gandajika, Zaïre	188
<i>D.A. Shannon, M. Kubeng and M.C. Mpoy</i>	
On-farm trial designed to stabilize an upland rice-based cropping system in Côte d'Ivoire	198
<i>Mamadou Diomandé and Kouadio Tano</i>	
A wheat variety trial in southern Borno State, Nigeria	200
<i>M.C. Ikwele</i>
