NGUYEN HOANG PHUONG - TRAN THI LE

ORIENTAL PHILOSOPHY FUNDAMENTALS AND FUZZY SET EAST AND WEST

VOLUME I

THE GIOI Publishers
Vietnam Marine Science & Technology Association
Hanoi 1994

**THE SPECIAL SCIENTIFIC COMMISSION
ORGANIZED BY THE VIETNAM MARINE
SCIENCE AND TECHNOLOGY ASSOCIATION**

1. Professor Doctor Ngoc Thuy, President of Vietnam Marine Science and Technology Association (Chairman of the Scientific Commission).
2. Professor Doctor Nguyen Chau, Head of the Physics Department of Vietnam National University.
3. Professor Thach Giang, Literature Department of Vietnam National University.
4. Mr. Phan Hong Giang, Vice - Director of the The Gioi Publishers and Head of its Editorial Department.
5. Professor Vu Phi Hoang, General Secretary of the Vietnam Marine Science and Technology Association.
6. Mr. Ho Dac Hoai, Permanent Member of Ex. Board of VMS and TA, Advisor to the Chairman of Petro Vietnam, Specialist of the Oriental philosophy.
7. Professor Vu Khieu, the National Center for Social and Human Sciences.
8. Doctor Nguyen Huy Mac, Head of the Government's Scientific & Educational affairs office.
9. Professor Doctor Nguyen Huu Tang, Head of office of the Commission for Education and Science under the Party Central Committee.
10. Professor Doctor Vu Van Tao, Assistant of the Minister of Education and Training.
11. Professor Nguyen Van Thang, Institute of the Vietnam Traditional Medicine Researches.
12. Professor Chuong Thau, Vietnam Institute of History.
13. Professor Doctor Dao Trong Thi, Director of the Hanoi State University, Mathematics Department of Vietnam National University.
14. Professor Doctor Hoang Tuan, Director of the 19/8 Hospital.
15. Mr. Nguyen Thanh Vinh, Secretary of the Special Scientific Commission.

ORIENTAL PHILOSOPHY FUNDAMENTALS AND FUZZY SET EAST AND WEST

Volume two

FUNDAMENTALS OF THE DUN JIA AND TAI YI THEORIES AND FUZZY SET EAST AND WEST

CONTENTS

| | |
|--|----|
| Introduction | 5 |
| Foreword | 17 |
| Part I - Fundamentals of the Dun Jia theory and Fuzzy set East and West | 23 |
| Chapter I - Transferring from Solar calendar to Stem - Member calendar | |
| - The celestial stems and terrestrial members union | 25 |
| - Transferring from Solar calendar to Stem - Member calendar | 29 |
| Chapter II - Adaptation of the Yin Yang and the Five Elements principles to the Eight - Arrangement of Wen Wang | |
| - The Eight Trigrams of Wen Wang | 37 |
| - The Primary - Secondary composition of structures on Dun Jia theory | 39 |
| - Generalized composition of Primary - Secondary structure under the conditions of the Dun Jia theory | 42 |
| - Relationship between Dun Jia theory and Fuzzy set theory | 45 |
| - About the order of the 8 Trigrams in the Wen Wang picture | 47 |
| Chapter III - The notion of season. Autowave aspect | |
| - The autowave phenomenon related to the notion of season | 50 |
| - Relationship between seasons and Wen Wang Trigrams | 52 |
| - Codes of seasons | 56 |
| Chapter IV - Fundamental formulae in Dun Jia theory | |
| - Notion of Jia Day in presidency | 62 |
| - Rule for the Escaping place of Dun Jia theory | 62 |
| - Notion of six Factors and three Periods | 63 |
| - Notion of Ground scheme | 63 |

| | |
|---|-----|
| - Rules for the $(\text{Star}/P_a) \times (\text{Door}/S)$ composition | 64 |
| - Table for 1080 Yang Dun and Yin Dun cases in the Dun Jia theory | 69 |
| - The meaning of the Ground scheme notion and formal rules | 76 |
| - Formulae for years | 81 |
| - Formulae for months | 82 |
| - Passage to the set of sixty four hexagrams | 85 |
| - Some examples | 89 |
| - About the meaning of the formulae | 96 |
| Chapter V – Relationship between Oriental Medicine and Dun Jia theory and further study of the Lingui Bafa system | |
| - The trace of the seasons code of the Dun Jia theory in Lingui Bafa system | 98 |
| - Biological Heaven – Man – Earth unity hypothesis. Time distribution of the reflected seasons codes in the Lingui Bafa system | 107 |
| - Relationship between Dun Jia theory and Big Cycle in Oriental Medicine | 109 |
| - Further study of the Lingui Bafa system in relationship with Dun Jia theory. Moebius strip topology character of Lingui Bafa system | 109 |
| Part II – Fundamentals of the Tai Yi theory and Fuzzy set East and West | 115 |
| Chapter I – Notion of time in Oriental Philosophy | |
| - Lunar month. Leap month | 117 |
| - Projection of Ursa Major on Solar System | 117 |
| - The linear origin of time on Old Oriental Philosophy | 119 |
| Chapter II – Notion of time department | |
| - Year department | 124 |
| - Month department | 126 |
| - Day department | 127 |
| - Hour department | 129 |
| Chapter III – Principal factors in Tai Yi theory | |
| - Principal celestial Stars | 131 |
| - Tai Yi algorithm for States | 137 |
| - Tai Yi table for department | 141 |
| - Other properties of the Tai Yi code | 147 |
| Chapter IV – Spatial aspect of the eight trigrams picture of wen wang | |
| - Relationships between objects in Tai Yi theory | 153 |
| - About the hierarchy of interactions in Tai Yi theory | 155 |

| | |
|---|-----|
| - Illustration of the $C(4)$ subgroups in Tai Yi theory | 157 |
| - Stable and unstable properties | 160 |
| Chapter V - Fundamental algebraic structure of the marvellous square in the Wen Wang picture. Wen Wang combined group | |
| - The Wen Wang combined group in Oriental Philosophy | 162 |
| - Fundamental views of Yi Jing and formalization by Wen Wang combined group | 166 |
| - Temporal character of the Wen Wang combined group in Dun Jia theory | 166 |
| - Wen Wang combined group in Lingui Bafa theory | 167 |
| - The set of 28 Stars | 168 |
| - Some examples | 170 |
| - On the synthesis between Dun Jia and Tai Yi theories | 172 |
| - The catastrophe system in I Ching? | 175 |
| Part III - Heaven - Man - Earth Unity principle and structure of Wen Wang's 64 Hexagrams | 177 |
| Chapter I - About Wen Wang's 64 Hexagrams | |
| - On the content of the work <i>Ten Stories (Thap Truyen)</i> | 179 |
| - On the number of Scientist's opinion on <i>Ten Stories</i> | 180 |
| - Quintessence of the Wen Wang's 64 Hexagrams system | 180 |
| - Application of the Antithesis Restoration law to studying symmetry of Wen Wang's Hexagrams system | 182 |
| - Heaven - Man - Earth Unity principle in Yi Jing. Global structure | 183 |
| - On the significance of some Hexagrams in connection with our reserch work | 187 |
| Chapter II - Towards an integration of the Old Oriental Prospective theories and Order - Disorder theory in Modern Occidental Science | 189 |
| - On which reference system of base? | 190 |
| - The picture of the so-called "Determinism - Chaos" | 191 |
| - Relationships between Old Oriental Philosophy and the categories of Order-Disorder, Determinism and Chao | 192 |
| - Can Dun Jia and Tai Yi theories become prospective systems or not? | 193 |
| - Influence of blueprint mechanism | 199 |
| - Toward a future Education Strategy | 201 |
