Contents

Foreword...xi

Introduction...xiii

Part 1 Understanding Place in Context

Introduction...2

Chapter One: Principles, Elements, and Techniques of Drawing Visualization

Introduction...3

Principles...3

Relationship and Elements...3

Relationships

Edges

Attitude and Work...10

Basic Techniques of Pen and Ink...11

Colored Marker Techniques

Visualization Constructs...12

Semi-Abstract and Real Constructs

Perspective and Parallel Drawing Shortcuts

Before / After or Either/Or Same View Perspectives

Visualizing Programmatic Information

Example: Minneapolis Building Block

Diagrams...32

Diagramming as a Visual Tool: Drawings and Models

Two-Dimensional Plan Diagrams

Three-Dimensional Diagrams

Minneapolis Programmatic Diagrams

Planning Opportunity Diagrams

Model Diagrams

Chapter Two: Visualizing Place as Context

Introduction...49

Context: Inherent in the Definition of Place

Context as Place...49

Context

"Seeing" Context as Design Opportunity

Visualizing Context...50

Portraying Context with Visual Thinking

Basic Principles of Context Visualization

Examples and Applications...51

Visualizing Context as Larger Patterns

Large Scale Landform Visualizations

Land Form and Settlement

Lake Edge Moraine: Land Form as Opportunity

Putting Settlement in its Place

Differentiating Context's Parts Through Visualization...71

Bio-Physical, Cultural, and Jurisdictional Parts

Chapter Three: Visualizing Place and Scale: The Scale Ladder

Introduction...87

The Scale Ladder...87

The Bio-region Map: Eco-regions Within the Bio-region

The Eco-region Perspective Diagram: The Willamette Valley

Settlement Within the Eco-region: Eugene, Oregon

A Line of Settlement Within An Eco-region: Willamette Pass

Small Town Settlements Within the Eco-region: Introduction

Caldwell, Idaho

Visualizing Project Sites Within the Settlement

Metro Settlement and Their Districts Within an Eco-region

Districts Within Settlement, Introduction

Other Districts Within Settlements

Buildings Within Districts: Ketchikan Civic Center

Chapter Four: Place and Time, Place in Time

Introduction...111

Time Patterning...112

Time Patterning as a Function of Place Definition...112

Semi-abstract Comparative Footprints

Juxtapositioning

Three-Dimensional Diagrams

The Wilsonville Story: A Visualized History...114

Port Townsend Street Vignettes...118

Other Time-Place Dimensions

Time-Distance Relationships...118

Past Proposals Assessment...118

Phasing Projections...119

Historic Activities in Contemporary Design

Building Remnants as an Organization

Principle: Astoria Pier

Chapter Five: Involving the Public in the Design of Place

Introduction...131

Design Communication in Public Participation...131

General Rules of Conduct

Design Communication Principles

Graphic Techniques in Public Involvement Communication

Improving Conventional Public Involvement Formats...135

Formal Public Information and Education Formats...136

The Public Hearing

City Council/Planning Commission Presentations

Informational Meetings, Workshops, and Brainstorming Sessions...136

Task Force/Steering Committee Meetings and Workshops

Constructive Humor...144

Part 2 Case Studies of Cascadia

Introduction...152

Chapter Six: The Tlingit Archipelago Case Study Background and Overview

Purpose of Study: Long Term
Planning/Design Effort...153

Regional Place Connected to Local
Place...153

Water Dependent/Resource Industry
Communities...153

Cascadia Bio-Region...153

Community in the Larger Context:
The Ketchikan Gateway Borough
Comprehensive Plan...154

Introduction and Background

Townscape Within the Regional
Form...156

Selected Topical Studies Within the
Townscape: Ketchikan Traffic
Study...160

Introduction and Background

Place as Historic Artifact and Active
Enclave: The Creek Street Public
Facilities Design...161

Introduction and Background

Place as Historic Artifact: Stedman
Facade Design, Historic
Ketchikan...165

Introduction and Background

Ketchikan Thomas Basin Commercial Center
Design

Visualizing Major Engineering and
Transportation Projects: North
Tongass Highway Improvement
Project, Alaska Department of
Transportation...178

Introduction and Background

Chapter Seven: Ish River Case Study

Introduction and Background...185

The Study Communities...185

Ish River Eco-Region...185

Shared Objectives...186

The Bellingham Case Study,
Bellingham, Washington...187

Regional Connections and
Influences...187

*Eco-region Within the Bio-region:
Bellingham*

Project One: Metropolitan
Scale...188

Visions for Bellingham

Relating Vision to Built Form

Project Two: Neighborhood
Scale...195

West Bakerview Neighborhood

Design and Development
Guidelines...197

Site Planning

Multi-family Residential Guidelines

The Old/New Suburban City...199

Regional Connections and Influences

Project One: Historic Downtown
Center...204

Populace Downtown Design Character

Elements of the Downtown

Design Recommendations
