Conservation Monitoring in Freshwater Habitats

A Practical Guide and Case Studies

Estación Biológica de Doñana
Consejo Superior de Investigaciones Científicas

Contents

Section 1 Setting the Scene

- 1 Conservation Monitoring in Freshwater Habitats:
An Introduction**..... 3
Clive Hurford
- 2 Options for Planning Management**..... 15
Terry A. Rowell
- 3 The Water Framework Directive and the Habitats
and Birds Directives: *An Overview of the Legal and
Technical Relationship***..... 23
Chris Uttley

Section 2 Biological Indicators for Freshwater Habitats

- 4 Freshwater Mammals as Indicators of Habitat Condition** 33
Michael Schneider
- 5 Waterbirds as Bioindicators of Environmental Conditions** 45
Juan A. Amat and Andy J. Green
- 6 Monitoring Fish Populations in River SACs** 53
Ian G. Cowx, Jonathan P. Harvey, Richard A. Noble,
and Andrew D. Nunn
- 7 Assessment of Aquatic Invertebrates** 63
Richard Chadd
- 8 Riverine Plants as Biological Indicators** 73
Richard Lansdown and Sam Bosanquet

9	Phytoplankton (Toxic Algae) as Biological Indicators.....	85
	Héctor Rodríguez-Pérez, Victoria López-Rodas, and Eduardo Costas	
10	Monitoring Biological Invasions in Freshwater Habitats.....	91
	Montserrat Vilà and Emili García-Berthou	
Section 3 Rivers: Threats and Monitoring Issues		
11	Threats to River Habitats and Associated Plants and Animals.....	103
	Nigel Holmes	
12	The Development and Application of Mean Trophic Rank (MTR)	115
	Nigel Holmes	
13	Monitoring the <i>Ranunculus</i> Habitat on the River Itchen: Practical Application and Constraints.....	125
	Richard Lansdown and Tim Pankhurst	
14	Observer Variation in River Macrophyte Surveys: <i>The Results of Multiple-Observer Sampling Trials on the Western Cleddau</i>	137
	Clive Hurford	
15	The Implications of Observer Variation for Existing Macrophyte Recording Methods.....	147
	Clive Hurford and Richard Lansdown	
16	Unitisation of Protected Rivers: <i>Including Special Areas of Conservation and Sites of Special Scientific Interest</i>	159
	Chris Dyson	
Section 4 River Case Studies		
17	Monitoring the <i>Ranunculus</i> Habitat of the Western Cleddau: A Case Study.....	169
	Clive Hurford and Dan Guest	
18	Monitoring of <i>Cryphaea lamyana</i> on the Afon Teifi SSSI/SAC: A Case Study	179
	Sam Bosanquet	
19	Monitoring Sea Lamprey <i>Petromyzon marinus</i> Ammocoetes in SAC Rivers: A Case Study on the River Wye	193
	Jonathan P. Harvey, Richard A. Noble, Andrew D. Nunn, Ryan J. Taylor, and Ian G. Cowx	

20	Monitoring Juvenile Atlantic Salmon and Sea Trout in the River Sävarån, Northern Sweden	207
	Hans Lundqvist, Kjell Leonardsson, Ulf Carlsson, Stefan Larsson, Jan Nilsson, Johan Östergren, Lars Karlsson, Peter Rivinoja, Ignacio Serrano, Daniel Palm, and John Ferguson	
21	Shad Monitoring in the Afon Tywi SAC: A Case Study.....	219
	Richard West	
22	Monitoring the Effects of Acidification and Liming on Water Quality in a Boreal Stream: The River Stridbäcken in Northern Sweden	231
	Johan Ahlström and Mats Johansson	

Section 5 Lake and Wetland Case Studies

23	A Baseline for Monitoring the Freshwater Natura 2000 Vegetation of the Teifi Pools (Afon Teifi SAC), Wales	247
	David Broughton and Jane Southey	
24	Aquatic Plant Monitoring in the Broads	261
	Andrea Kelly and Jane Harris	
25	Monitoring Stoneworts <i>Chara</i> spp. at Bosherton Lakes.....	277
	Bob Haycock and George Hinton	
26	Monitoring Wetland Mammals: An Ecological Case Study	291
	Penny Neyland, Dan Guest, Charles Hipkin, and Dan Forman	
27	Ringed Seals in the Gulf of Bothnia	307
	Michael Schneider	

Section 6 Integrated Surveillance, Monitoring and Management at Doñana Natural Space

28	An Integrated Monitoring Programme for Doñana Natural Space: The Set-Up and Implementation.....	325
	Ricardo Díaz-Delgado	
29	Monitoring Aquatic Ecosystems at Doñana Natural Space.....	339
	Miguel Ángel Bravo-Utrera	
30	Endangered Waterbirds at Doñana Natural Space	357
	Manuel Máñez, Luis García, Fernando Ibáñez, Héctor Garrido, Juan Manuel Espinar, José Luis Arroyo, José Luis Del Valle, Alfredo Chico, Antonio Martínez, and Rubén Rodríguez	

31 Monitoring Marsh Dynamics Through Remote Sensing.....	375
Ricardo Díaz-Delgado, David Aragonés, Iban Amezttoy, and Javier Bustamante	
32 New Technologies for Long-Term Biodiversity Monitoring: Data Quality and Real-Time Availability	387
Hugues Lefranc, Regino Núñez, and Justin Steventon	
Section 7	
Appendix	399
Glossary	401
