## *Part I Business Communication and You*

### *1 The Dollars and Sense of Functional Business Communication*

Personal Costs of Poor Communication  
Organizational Costs of Poor Communication  
It Pays to Invest in Communication Training  
The Concept of Communication  
The Communication Process  
Barriers Arise From Different Perceptions  
Barriers Arise From Different Fields of Experience  
Barriers Arise From Noise  
Barriers Arise From the Channels We Use  
Barriers Arise From Lack of Feedback  
Summary of Key Ideas  
Activities  
Questions for Further Thought  
A Case in Point . . .  
Notes

## Part II Before You Write or Talk

### 2 How Is Your Communication "Media Mix"?

24

Some Potential Problems of Media Choice  
Communication Efficiency Is Not Necessarily Communication Effectiveness  
Each Medium Assumes Certain Ground Rules  
Media Characteristics  
Media Mixing: A Sound Alternative  
Media and Expectations  
Summary of Key Ideas  
Activities  
Questions for Further Thought  
A Case In Point . . .  
Notes

### 3 How Words Work

41

Words Do Not Have Meaning—People Have Meaning  
Words Do Not Automatically Separate Facts From Guesses  
Words Tend to Push Things Into Either-Or Categories  
Words Can Lead to Self-Fulfilling Expectations  
Words Have Emotional Loadings  
Words Sometimes Conceal Rather Than Reveal  
Some Other Thoughts on How Words Work . . .  
Summary of Key Ideas  
Activities  
Notes

### 4 Getting Started and Staying Focused

56

The Pain and Anguish of Getting Started  
Clear the Deck for Takeoff  
Raw Writing to the Rescue  
Starting Over Again: Transforming Mess to Masterpiece  
How About Really Big Writing Jobs?  
Should Business Writers Always Draft and Revise?  
The Challenge of Keeping Focused Once We've Begun  
The Seven Cs of Functional Writing  
Captivate Your Reader Early  
Let Us Make Ourselves Perfectly Clear

*Conciseness Makes the Reader Grow Fonder*  
*Completeness Means You'll Never Have to Say You Left It Out*  
*Credibility Is Trust and More*  
*Be Constructive*  
*Conversational Tone Is Controlled Talking*  
 Summary of Key Ideas  
 Some Other Thoughts on Revising What You've Started  
 Activities  
 Questions for Further Thought  
 A Case in Point . . .  
 Notes

### **Part III** *Some Mechanics of Business Communication*

#### **5** *Keys to Functional Writing: Preview, Outline, Point, and Support (POPS)*

78

Preview: Creating Expectations  
 Outline: Fitting the Message Together  
 Point: Accessing Key Ideas  
 Support: Evidence and Elaboration  
 Summary of Key Ideas  
 Some Other Thoughts on Supporting Ideas with Statistics  
 Activities  
 Notes

#### **6** *Clear, Functional Wording: Avoiding the Glitches*

95

Simplify, Simplify for Best Communication  
 Our Obligation to Be Clear  
 Avoid Big Words Where Little Words Can Do the Job  
 Avoid Overuse of Technical Terms or Jargon  
 Avoid Foreign Expressions Where English Phrases Work As Well  
 Avoid "Prepackaged," Overused, and Stilted Expressions  
 Avoid Redundancies: Words with Overlapping Meanings  
     That Overlap Each Other  
 Avoid Unnecessary Words  
 Avoid a Phrase Where a Word Will Work  
 Avoid Abstract Words When Concrete Terms Can Be Used  
 Avoid Dull Words When Vigorous Terms Can Be Used  
 Avoid Overuse of the Passive Voice  
 Avoid Camouflaged Verbs
